Welcome back to school and I am so delighted to have you all back here. I hope that you all are relaxed, recharged, and ready to start a new Academic year.

It is time to look forward to a wonderful year ahead.

Our incredible staff of educators and non-teaching staff has been in school throughout the summer preparing the nook and corner of our school, for you all. I am happy to see my Seashore family growing and excited to welcome new staff members to RSCS family.

We are proud of our beautiful school campus which will be complete with your presence my dear children.

The parent body is an integral part of the trajectory. Their continued involvement collaboration, and motivation is crucial to us and the student community, which in turn will lead to the accomplishment of personal as well as school goals and will pave the way for more innovative ways of collaboration. This institution is committed for the holistic development of each child beyond academic excellence.

To conclude I would like to reiterate my belief with this quote by Henry Ford, "If everyone is moving forward together then success takes care of itself."

So let's all join hands to take off on this journey to higher orbits of excellence.

Once again hearty welcome to all!

Thank you,

God Bless!
